(c) whether it is proposed to reduce the excise duty to help the local producers;

(d) if so, the details thereof; and

(e) if not, the reason therefor?

THE MINISTER OF TEXTILES (SHRI SHANKERSINH VAGHELA): (a) and (b) No, Sir. As compared to indigenous production, the import of knitted fabrics from China is insignificant and does not pose any serious threat to the local producers.

(c) to (e) The knitted fabrics are already covered under optional excise duty. The cotton knitted fabrics attract 4% optional excise duty, while other than cotton knitted fabrics attract 8% optional duty. The local producers can always opt for exemption duty route.
